## **ADDITIONAL LINKED UNITS ISSUED IN RESPECT OF DISTRIBUTION REINVESTMENT ALTERNATIVE**

---

Further to the announcement of the results of the election given to Vukile linked unitholders to reinvest their distribution in return for Vukile linked units ("**linked unit alternative**") released over SENS on 24 June 2013 (the "**reinvestment results announcement**"), unitholders are advised that a further 382 new Vukile linked units will be issued in respect of the linked unit alternative, which were not included in the reinvestment results announcement due to an administrative error on the part of a third party. Accordingly, the total number of new Vukile linked units issued or to be issued in respect of the linked unit alternative (including the 3 960 818 newly issued Vukile linked units previously announced in the reinvestment results announcement) is 3 961 200 Vukile linked units.
